25 <b>X</b> 1	will attend our next meeting to talk about the OSS
25 <b>X</b> 1 25 <b>X</b> 1	exhibit, which is a possibility for the month of June, 1986.
25 <b>X</b> 1	has been asked to report at our November meeting on the animation exhibit since he was unable to attend FAC's October meeting.
25 <b>X</b> 1	said that she contacted and declined his suggestion for an
	exhibit.
	3. Old Business
	a. Certificate of Appreciation
25 <b>X</b> 1	reported that she had written a memo requesting the
25 <b>X</b> 1	appropriate office to prepare a proposed certificate. Since
25 <b>X</b> 1	has been working on this project, will turn the
25 <b>X</b> 1	memo over to him for delivery to
	4. New Business
	a. Posters in the Cafeteria
25 <b>X</b> 1	representing the Cafeteria Committee, was present to
	discuss the anticipated problem with posters in the cafeteria. The
	committee has come up with some ideas but would like some assistance from
	the Fine Arts Commission. A suggestion was made at their committee
251/4	meeting that frames (open at the top) be installed on the cafeteria walls
25 <b>X</b> 1	for holding postersidea would be to use paintings in the frames so that when there were no posters in them, they would still look
25 <b>X</b> 1	appealing. questioned whether or not this idea would be
25 <b>X</b> 1	too limiting as to the size that could be used for posters.
	said that the maximum size is 18 x 24, and she offered a suggestion that
. = >	we might publish a notice limiting the size of posters to be displayed.
25 <b>X</b> 1	After a considerable amount of discussion on this issue,
	volunteered to contact the appropriate people and report back to the Commission with a recommendation at our next meeting. The FAC would
	recommend that there be no posters, with the exception of necessary ones
25 <b>X</b> 1	that relate to GSI. will work together to come
25 <b>X</b> 1	up with a recommendation and report back to
25 <b>X</b> 1	
	said the committee will be thinking about making some changes now in the cafeteria, and the FAC is invited to make any
	suggestions we might have for their committee from an aesthetic sense .
	b. Progress Report on Colors
25 <b>X</b> 1	reported that the estimated cost of repainting the corridor
	doors and interior doors is in the range of \$100, but his opinion is that

2 CONFIDENTIAL

25X1	the estimate may be low. feels that the colors on the landings and stairways should be altered to the new color scheme; and if added, that would probably be in the range of \$150. The logical time to do the door color change would be at the same time we do the major renovation in 87 and 88, after the space allocation has been worked out.
25 <b>X</b> 1	The FAC would like to see some tighter controls placed on OD&E architects with a goal toward more consistency and compliance with a building standard in the new building. After a considerable amount of discussion concerning colors, and with specific reference to Joy Luke's report, it was decided that this issue should be put on the back burner until such time as we have more of a feeling for what we will have in the new building.
25 <b>X</b> 1	c. Renovation of Restrooms
25 <b>X</b> 1	reported that a memo was sent to  The restrooms have been cleaned up; however, they still need to be upgraded and
25 <b>X</b> 1	switched. will talk with and express strong feeling on upgrading.
25 <b>X</b> 1	d. Wood Doors and Vending Machines
25X1	suggested that talk with about the FAC's concern over the installation of wood doors by some of the offices.
25 <b>X</b> 1	mentioned that he had looked at the vending machines in
25 <b>X</b> 1 25 <b>X</b> 1	the 2F corridor and they looked fine. There were no objections raised in response to request that everyone look at the vending machines and report back with their opinions at this meeting
25 <b>X</b> 1	e. Collection
25 <b>X</b> 1	again spoke with and he asked that we have an appraiser come in. He is prepared to be very generous to the
25 <b>X</b> 1	Agency regarding the purchase of his paintings. He has offered the sculpture to the Vatican, but he would be glad to ask to do a sculpture for the lobby if we so wish. He is also thinking about leaving
25 <b>X</b> 1	some of his work here on loan. He will be sending something early next month.

### a. November meeting

It was agreed that due to the Veteran's Day holiday on November 11th our monthly meeting will be held on November 18th.

# b. Suggestion to replace elevator wall maps

A discussion was held regarding a suggestion that was made for replacing the elevator wall maps. The position of the FAC is that this
